

SMART CITY CIVIC COMPLAINT AND MANAGEMENT SYSTEM

LEGEND

- Citizen Use Cases
- Officer Use Cases
- Field Worker Use Cases
- Administrator Use Cases
- Smart Assistance (Advanced)

- Association
- <<include>> Mandatory Inclusion
- <<extend>> Optional Extension
- System Boundary

NOTES

- Core workflow: Citizen → Officer → Worker → Resolution → Citizen Verification.
- Citizen submits complaint; Officer verifies and assigns to Worker.
- Worker completes the task and uploads evidence.
- Citizen verifies resolution, provides feedback, or reopens complaint if needed.
- Smart Assistance features are planned for later increments to enhance the system.
